Advice regarding health assessment:

1. For your medical examination, you will be asked to take off all of your clothes except your underwear. You will be provided a gown to wear.
2. You may request a chaperon to be present during your physical examination, especially if you are to be examined by a physician of the opposite sex.
3. Do not conceal medical conditions.
4. Do not conceal pregnancy.
5. Abstain from drinking alcohol on the day before the examination.
6. Women are advised to avoid health assessment during menstruation as it may affect results of the urine test.
7. Postpone or re-schedule your appointment if you or your children are ill with fever or rash.
