

International Organization for Migration (IOM)
The UN Migration Agency

Call for Applications

Position Title: **Intern (DTM - REMAP)**
Duty Station: **Bangkok, Thailand/ Homebased (if travel not permitted)**
Type of Appointment: **Internship Contract, 6 months**
Closing Date of Vacancy: **15 February 2022**
Expected Start Date: **April 2022**

Established in 1951, IOM is a Related Organization of the United Nations, and as the leading UN agency in the field of migration, works closely with governmental, intergovernmental and non-governmental partners. IOM is dedicated to promoting humane and orderly migration for the benefit of all. It does so by providing services and advice to governments, the private sector, and migrants.

Context

IOM works in the five broad areas of migration management: migration and development, facilitating migration, regulating migration, addressing forced migration, and the implications of climate change on migration. Cross-cutting activities include the promotion of international migration law, policy debate and guidance, protection of migrants' rights, migration health and the gender dimension of migration. The key responsibility of the Regional Office for Asia and the Pacific (ROAP) is to formulate regional strategies and plans of action and to provide programmatic and administrative support to the countries within its region. Several Regional Thematic Units are based at the ROAP to fulfill this responsibility.

The Emergency and Post Crisis (EPC) Unit in the ROAP focuses on ensuring IOM Missions in Asia and the Pacific are prepared to respond to Migration Crisis needs, aid decision-making related to humanitarian affairs, and strengthens partnerships with other organizations within and outside of the humanitarian architecture.

The Displacement Tracking Matrix (DTM) Regional Evidence for Migration Analysis and Policy (REMAP) project was developed in response to the critical need to collect and analyze information on (protracted) displacement and human mobility in, to and from Afghanistan, Bangladesh, Iran (Islamic Republic of), Iraq and Pakistan and to contribute to evidence-based humanitarian and development programming in these countries and in the region.

Supervision

Working under the direct supervision of the Senior Programme Manager of DTM REMAP programme based in Bangkok, Thailand the intern will support the concern unit for smooth implementation of ongoing work.

Core Functions/Responsibilities:

The successful candidate will have the following duties and responsibilities:

1. Assist in researching and drafting dashboards, flash information sheets, papers and reports describing and analyzing human mobility of Afghan, Bangladeshi, Iranian, Iraqi and Pakistani nationals inside their countries and across international borders.
2. Assist in compiling, analyzing, visualizing human mobility data within Afghanistan, Bangladesh, Iran (Islamic Republic of), Iraq and Pakistan for DTM REMAP reporting purposes.
